News updates

Plan Northeast Youth Ambassador calls for better careers education, BBC news

Rylie Sweeney champions the views of young people in the north-east of England as one of the Children's Commissioner's ambassadors. Miss Sweeney is calling for careers education in schools to be improved and embedded in the national curriculum and for more meaningful work experience for young people. The article makes interesting reading: [Northeast youth ambassador calls for better careers education](#).

Number of UK 18-year-olds accepted into university or college hits record high, UCAS

Figures published by UCAS 14th August show 82% of offer-holders were placed at their first-choice, the same proportion as in 2024: [Number of UK 18-year-olds accepted into university or college hits record high](#). The figures also indicate an increase in placements for 18-year-olds from the most deprived areas in England, Wales and Northern Ireland and subjects with the largest increases are engineering and technology, mathematical sciences and law.

Plan to boost jobs for newly qualified Nurses and Midwives – BBC news

New measures to make it easier for NHS employers in England to take on newly qualified nurses and midwives have been announced by government: [Plan to boost jobs for newly qualified nurses and midwives - BBC News](#). The move comes after warnings there are up to three times more graduates than vacancies in some areas of the health service. Read the full article [here](#).

Prospects Luminate: Are job vacancies reverting to long-term trend?

This insightful article from Prospects Luminate: [Are job vacancies reverting to long-term trend? | Luminate](#) gives a clear picture of the industries that are thriving and those that are struggling at present; highlighting the importance of using Labour Market Information to make informed decisions for young people and their parents or carers, teachers and advisers. Read the full article [here](#).

Career Development Policy Group - Policy brief, July 2025

In July, The Career Development Policy Group wrote a commentary on recent policy development, the [Schools policy brief](#). Calling on Government to reaffirm proposals, discussing the defunding of service provision over 15 years and demonstrating how critical Careers Guidance in Schools is to improving life chances, boosting opportunities and delivering economic growth, it's a timely report reminding us of the vital role Careers Guidance plays. Read the brief [here](#).

FutureSmart Essentials for schools

FutureSmart Careers offers a range of well-loved packages for schools but can also tailor a plan to fit schools' needs exactly. Our FutureSmart Essentials package includes:

- Suite of downloadable resources
- 9-5 careers advice helpline
- Monthly newsletters with news, events and opportunities

Many schools upgrade to **FutureSmart Pro** which includes all of the benefits of Essentials plus additional in-school support from our team of qualified advisers for workshops, personal guidance sessions, talks and other activities tailored to the schools' exact requirements.

FutureSmart Careers Apprenticeship Support

Since the announcement that the DfE has removed the funding for the ASK programme, we are delighted to announce that FSC will be offering an Apprenticeship Support Package to schools and colleges. We have produced a suite of workshops and talks to include the best bits from the ASK programme, but with the added extras we feel are needed. The Apprenticeship support we are offering is a paid for service, but we are working hard to make it cost effective and flexible to help you support your students. We are also able to work in all geographic areas we cover.

If you would like to find out more about this service or book in a meeting to discuss further, Please click on the link to complete the form: [Apprenticeship Support - Expression of Interest Form](#)
